HOW TO CHOOSE

The Perfect White Paint

With a spectrum of undertones to suit all manner of requirements, there's far more to white paint than meets the eye. With the help of Resene, we share how to choose the right white shade for your space.

To complement bright shades, try...

Resene Rice Cake

When paired with strong, bold colours, this sharp, clean, yellow-toned white will sing.

To brighten a dark room, try...

Resene Half Alabaster

Paint ceilings and window frames a bright white to direct natural light into the room.

To bring the outside in, try...

Resene Merino

This versatile off-white has a green oxide undertone, perfect for a room with a green outlook or garden.

To pair with neutrals, try...

Resene Sea Fog

The hint of grey in this white will complement pastel, muted and neutral-toned furnishings.

To warm up natural textures, try...

Resene Quarter Tea

Materials such as wood, stone and linen call for a muted, warm-toned beige like this one.
